

JLL Property Triathlon 2024

Dear tent holder,

A massive welcome to the JLL Property Triathlon, 2024!

Please spend a few minutes going through the notes below to ensure the smooth running of your day.

Catering

If you have ordered BBQ vouchers these are contained in the envelope found in your marquee– each voucher can only be used once and must be handed in as it is used.

Drinks packages will be delivered between **07.30 – 11.00am** and catering packages will be delivered from **11.30am** onwards. Both will be delivered to the highest numbered tents first unless you have specified a preferred time for delivery.

Please note that it is recommended that food is eaten within a four-hour timeframe to adhere to the food hygiene protocol at Dorney Lake.

For any catering enquiries prior to the event, please contact **Joanne Metzner at Dorney Lake – J.Metzner@dorneylake.co.uk – or ring her on 07874 707 189** on the event day.

JLL Property Triathlon Tracking

You can track your friends and colleagues using the tracking app, located on the JLL Property Triathlon website.

Live results

These will be displayed on the large digital results screen in the tented village. Each participant will also receive a text with their time to the phone number provided when registering for the event and you will be able to find your finish time via the results page on the JLL Property Triathlon website.

Please wait at least 30 minutes for your results to be published. If your results haven't been published after this time, then please visit the help desk or contact our timing provider via the email humanrace@raceahead.net

Bike racking

There is various racking available throughout the tented village to store bikes – **please note this is not secure.**

Event village

Food vendors, mechanics, toilets, and the help desk are all located within the event village, along with DJ Frost bringing the tunes and energy!

JLL Tent

JLL would like to welcome all participants to our Tent in the event village. Feel free to pop in for a drink and watch the action unfold. If you would like to treat yourself to a massage, then we have Physio and Therapy in the JLL tent in the event village.

Medical attention

Should you require medical attention, you will find the **Acute Ambulance and Medical Services** located at the boat house in the tented village.

Waste management – recycling bins

There will be plenty of general waste and recycling bins throughout the site and close to your tents so please ensure you follow the guidelines and separate your waste according to the bin signage and dispose of any food before putting recyclable materials in the recycling bins.

Breakdown

Please ensure your marquee is cleared of all belongings and rubbish by 18.30pm.

Rubbish and recycling bins are provided in the tented village and skips can be accessed at the back of the tented village at the end of the day. Please do not use the skips during the day as this may interfere with the races.

There will be a fine for those tents not properly cleared and left tidy.

Water tanks

Water tanks are located at the end of the mound closest to the event village and more centrally in the event village for participants and spectators to refill their drinking water bottles during the event.

Prize giving schedule

Finally, all your effort and that of your peers needs to be recognised, so please do stay for the prize giving ceremonies as well as the cheque presentation to WWF, our charity partner, and enjoy the many food and drink options on site as well as the music!

The schedule is below:
